CREDIT TRANSFER

Credit transfer is the practice of transferring a student's credits to the next institution so that they can continue their education even after a break. By applying for credit transfer, students can transfer their UG/PG/ B-Tech credits from one UGC-approved university/institute to another without losing their previous credits.

Duration of the course

The duration of the course is extended from six months to one year according to the admission date and subject.

Course Objectives

- Exams can be written through online mode at our own pace
- You can obtain eligibility for higher studies through the Credit Transfer Scheme.
- Attestation will be possible for all GCC countries and European countries, except Saudi Arabia.
- Undergraduate students of BA, BBA, and B. Com can complete their unfinished UG
- Eligible for migration
- Students who were pursuing a degree can continue their studies in a different university if the need arises.

Eligibility criteria

- Candidates who failed or discontinued their degree course can join to credit transfer.
- The candidate should be a student of any university for a degree course before joining in credit transfer.
- If the candidate has discontinued in any semester, he/she can resume their next semesters with university credit transfer.
